WESTERN DISTRICT OF TEXAS
BY [Signature]
DEPUTY CLERK
SA16C000404E

Dear honorable Judge,

I Gavin Leonard Freedman in sound mind and body would like to change my plea to Guilty of all charges against me. And in the interest of justice would like to ask humbly to remain in Federal custody and not go back to the State of Texas because I am victimized there. I would also like to ask to be placed at Bass drop Federal Institute, to be close to my mother that is terminally ill and has cancer, also physically disabled. I am sorry and remorseful for the crimes I have committed and the people that I scared in the process. I do not intend to carry out any of the threats and will seek help for mental health disorders and other problems that I face. I am turning myself over to the hands of Justice because, I am seeking help from long and distressing life that I have lived with no regard for the law, now I willingly put my life in your hands and seek forgiveness in the way of justice.

I am guilty and have no excuses
I accept responsibility for what I did.

Respectfully and sincerely,
