City of San Antonio:

San Antonio Police Department

To whom it may concern:

I have been scheduled to attend the San Antonio Police Academy as a Police Cadet on Monday, April 27, 2009. However, I have decided to pursue a career with the Department of Homeland Security, Customs and Border Protection instead. Due to this decision, I will not be attending the San Antonio Police Academy.

I have chosen to pursue a career with the Department of Homeland Security following the advice of family and friends. Furthermore, I will be able to retire from that agency in only 12 years since they will buy my time served in the Department of Defense. In addition, they offered me a position as a GS-7 with a start date in the near future.

I want to thank the San Antonio Police Department for offering me a career. All the staff has been very professional and courteous.

Sincerely,
